

IC-MSE 2022

2022 3RD INTERNATIONAL

CONFERENCE ON MATERIALS SCIENCE

AND ENGINEERING

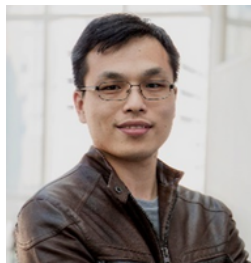

2022 3rd International Conference on Materials Science and Engineering (IC-MSE 2022) will be held in Suzhou University of Science and Technology, Suzhou, China during April 13-15, 2022. (www.ic-mse.org)

Keynote speakers

Prof. Changming Li

School of Materials Science and Engineering of
Suzhou University of Science and Technology, China

Prof. Chunxian Guo

School of Materials Science and Engineering of Suzhou
University of Science and Technology, China

Prof. Masaru Tanaka

Institute for Materials Chemistry and Engineering,
Kyushu University, Japan

IC-MSE 2022 is organized by Innovative Science and Engineering Research Institute (ISERI), Co-organized by Suzhou University of Science and Technology, China. This conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of materials science and engineering.

Publication

All the accepted and registered papers of ICMSE 2022 will be published in the Journal of [Materials Science Forum](#) (ISSN web 1662-9752), which will be submitted to be indexed by [Ei Compendex](#), [Scopus](#), Chemical Abstracts Service (CAS), REAXYS, Chimica, etc.

*The high quality papers with great extension will be recommended to publish in Materials, 5-Year Impact Factor: 3.920 (2020).

Important Dates

Submission Deadline Before Jan 15, 2022

Notification of Acceptance On Feb 1, 2022

Registration Deadline Before Feb 10, 2022

Topics

Biomaterials and Nanomaterials, Material Chemistry, Materials Processing Engineering, Structural Material
